NJSOP's Newest
Member Benefit

Our UpCare Advantage program tailors our services to meet your medical practice's requirements and cost structure.

Medical Billing & Coding

We expertly handle the submission of medical claims including the collection of insurance revenue for small medical practices, SNF, LTC, and ancillary providers.

Bookkeeping Services

Our dedicated team can manage your practice's fiduciary responsibilities with our comprehensive bookkeeping, auditing, payroll and HR services.

Physician Credentialing

We offer medical credentialing, provider enrollment services, and insurance contract negotiations for new or existing practitioners, health care groups, and entities.

A/R Recovery Services

Our experienced staff will take necessary action in the recovery of overdue payments from Medicare, Medicaid, private pay, and commercial insurance carriers.
