

SUMMER CONTINUING EDUCATION

TUESDAY, JULY 13, 2021

6 HOURS NJSBO TPA CREDIT/COPE CREDIT

8 AM - 4 PM

**THE BREAKERS ON THE OCEAN
1507 Ocean Avenue, Spring Lake, NJ**

NJSOP & The Breakers' Health and Safety Protocol

- The meeting and dining rooms will be set in accordance with the most recent capacity limits and/or restrictions to ensure your safety and social distancing.
- **Masks are required to be worn indoors.** The NJSOP will provide a mask to anyone who does not have one.
- The NJSOP will supply hand sanitizer at the registration desk. All attendees are asked to sanitize their hands upon arrival. Each attendee will be given a pen with which to sign in and to keep.
- Breakfast and lunch will be served in the dining room sit-down style. There will not be a buffet.
- The Breakers on the Ocean is committed to providing an experience that is in full compliance with all federal, state, and local health department regulations with protocols to benefit the health and safety of their guests, employees, and community. The Breakers is taking safety measures and they are asking guests to support their common goal of maintaining a safe and responsible environment. In addition to their already rigorous cleaning procedures, they have elevated their cleanliness standards and sanitization procedures to meet the new health and safety challenges presented by the current environment.
- Common touch points and hard surfaces in all common areas will be cleaned rigorously and in detail frequently throughout the day and on an ongoing basis using safe and effective sanitizers and disinfectants. Hand sanitizer is available throughout the property.

THIS EVENT IS CURRENTLY LIMITED TO 64 REGISTRANTS

Gregory Caldwell, OD

Dr. Caldwell is a Fellow of the American Academy of Optometry and Board Certified by the American Board of Optometry. He has been a part Johnstown Family Vision in Johnstown, PA for 10 years. He is a well know lecturer in the optometric industry. He travels throughout the United States lecturing several times a year to his colleagues. An avid Pirates and Steeler's fan, Dr. Caldwell enjoys taking in games with friends and family. Dr. Caldwell resides in Cresson, PA with his wife and son.

Steven Sorkin, OD

Dr. Sorkin earned his Doctor of Optometry degree from SUNY Optometry. He lectures extensively throughout the country and internationally on contact lenses, dry eyes, ocular allergies, ocular therapeutics, and corneal disease. He has a special interest in difficult to fit contact lens patients, such as those with keratoconus and post surgical cases and manages many patients with complex anterior segment conditions. Dr. Sorkin is a member of the Board of Directors of the NJSOP. He is also a Fellow of the Scleral Lens Education Society.

SCHEDULE FOR TUESDAY JULY 13, 2021

8:00 am - 8:45 am	Registration & Continental Breakfast
8:45 am - 10:25 am	Rheumatology, Thyroid Dysfunction, and the Eye Gregory Caldwell, OD - 2 hrs NJSBO TPA Credit/COPE # 72563-SD This course reviews the close association between the eye, rheumatology, and thyroid dysfunction. Clinical features, laboratory testing, clinical examination, and therapeutic options will be discussed. Topics include connective tissue disease, vasculitides, spondyloarthropathies, and thyroid disease. The ocular manifestation and management of these conditions will be discussed.
10:25 am - 11:05 am	NJSOP Diamond Partner Presentations & Break
11:05 am - 12:45 pm	Bringing the Love Back to Visual Fields Gregory Caldwell, OD - 2 hrs NJSBO TPA Credit/COPE # 72703-PD The OCT has become an important diagnostic instrument in eye care. The visual field is still equally important in the diagnosis and treatment of ocular disease. Advances in software and visual field testing have clouded the waters. This course reviews how to use the visual field in your office with proper and efficient techniques. Learn which test is fitting and increase your confidence in interpreting the visual field. Numerous visual fields will be reviewed via a case presentation style.
12:45 pm - 1:45 pm	Lunch
1:45 pm - 2:35 pm	Imaging of the Anterior Segment Steven Sorkin, OD - 1 hr NJSBO TPA Credit/COPE # 72648-PD Anterior segment imaging devices have become an indispensable part of diagnosing and managing various anterior segment conditions such as glaucoma, keratoconus, corneal dystrophies, and other medical conditions of the cornea. In addition, new devices now can assist in the efficiency of the specialty contact lens practice providing better care to our patients.
2:35 pm - 3:05 pm	NJSOP Diamond Partner Presentations & Break
3:05 pm - 4:00 pm	Corneal Dystrophies and Degenerations Steven Sorkin, OD - 1 hr NJSBO TPA Credit/COPE # 72574-AS Corneal dystrophies and degenerations are commonly seen in optometric practice. This course will discuss the various corneal dystrophies and degenerations and their diagnosis and treatment options.
